

**Assignment of Final Project**

Please read the following instructions carefully before working on the final project:

- The final project should be according to the formats available in the HANDBOOK of the course which can be accessed in DOWNLOADS section of LMS of this course.
- You are required to work on the final project strictly in the light of the comments given by the supervisor in the approved proposal.
- Submit your final project in MS Word format.
- **The students whose proposals have NOT been approved/ accepted by the supervisor are NOT allowed to work on the final project.**
- Final project must be submitted by uploading it against Assignment 05 on VULMS within due date.  
**Submission through Email will NOT be entertained.**
- Be very careful while uploading your project as you shall not be able to replace it once uploaded. Corrupt files shall NOT be considered.
- Plagiarism is strictly prohibited. Any evidence of plagiarism (if found at any instance) shall be strictly dealt with as per “ZERO TOLERANCE POLICY” of the University. *(Read the Plagiarism Sensitization Document available in the DOWNLOADS section of the course VULMS).*
